

Invitation

4th International Youth Conference – *We R International*

under the motto

„Global? Local? Cooperate together!”

July 28th - August 3rd 2024

in Regensburg

Date: July 28th to August 3rd 2024 in Regensburg.

Participants: Three boys and three girls aged 16 to 18 together with an accompanying person.

Costs: The subsistence and accommodation costs as well as the expenses related to the official program in Regensburg will be covered by the City of Regensburg. For more information about possible financial support of travel expenses, please contact your city administration.

Accommodation/Venues: The young guests will be hosted at Youth Hostel Regensburg (Wöhrdstraße 60, 93059 Regensburg) in the city center. The conference will take place at different locations in Regensburg.

Aim: The conference with the motto „Global? Local? Cooperate together!” is expected to give the young participants the opportunity to exchange about actual political and societal themes and issues as well as their wishes concerning their own future. They will get in touch and make friends with peers from all over the world.

Further information and preparation: Participants are asked to present their own hometown to the others at the beginning of the conference as a group. The presentations should be created at home beforehand and brought to Regensburg. There are no limits to creativity. If possible, please choose a non-digital form of presentation.

The conference aims to encourage young people’s participation. Various workshops will be provided, in which the participants will exchange their wishes for the future. To meet the participant’s interests and make their participation more active, participants are asked to propose several workshop’s themes (as an individual or as a group) **until June 14th 2024**. The organizers will consider these suggestions to come up with workshop themes. Please note that you are not automatically in the workshop whose topic you suggested, but each participant will assign individually to a workshop on the opening evening. At the end of the week, each working group will present its conclusions at the closing event on Friday, August 2nd 2024.

Registration: Please register under youthconference@regensburg.de **until April 12th 2024**
